Subject: Quick Pay Option

All:

Daily Brokerage would like to make you aware that it is now offering quick pay on all of its loads. The Carrier would need to submit a clean bill of lading, copy of the invoice, copy of the rate confirmation and any other required documents by Daily Brokerage. Once reviewed Daily Brokerage will issue a com check for the amount owed to the Carrier **less a 5% fee**. Legible fax copies are acceptable in most cases.

Please note that you will be ineligible for quick pay if you do not have a clean bill of lading. Also note that billed detention charges will also not be eligible for quick pay.

If you have any questions about how this option works, please contact Sarah Faller 717-609-4090.

Thank you in advance.

DAILY BROKERAGE INC.
